

.Net Developer

We are looking for a talented .Net developer to build software using languages and technologies of the .NET framework.

In this role, you should be able to write functional code with a sharp eye for spotting defects. You should be a team player and excellent communicator. If you are also passionate about the .NET framework and software design/architecture, we'd like to meet you.

Your goal will be to work with internal teams to design, develop and maintain software.

Responsibilities

- Participate in requirements analysis
- Collaborate with internal teams to produce software design and architecture
- Write clean, scalable code using .NET programming languages
- Test and deploy applications and systems
- Revise, update, refactor and debug code
- Improve existing software
- Develop documentation throughout the software development life cycle (SDLC)
- Serve as an expert on applications and provide technical support

Requirements

- At least 2+ years of working experience as a .NET Developer
- Familiarity with the ASP.NET framework, SQL Server and design/architectural patterns (e.g. Model-View-Controller (MVC))
- Knowledge of at least one of the .NET languages (e.g. C#, Visual Basic .NET) and HTML5/CSS3
- Familiarity with architecture styles/APIs (REST, RPC)
- Understanding of Agile methodologies
- Excellent troubleshooting and communication skills
- Attention to detail
- BSc/BA in Computer Science, Engineering or a related field

Benefits:

- Private Insurance
- A dynamic challenging environment resulting continuous learning/education/progression

- Ability to work with cutting edge technologies.
- Pleasant working environment
- Ability to expand knowledge and responsibilities

Please send your CV at cv@upcom.eu

Our recruitment consultants will go through your Curriculum Vitae as soon as possible and get back to you to discuss the opportunity for which you apply. If you don't hear from us in the coming ten (10) working days, you may consider that you have not been selected for the particular job.
